***51.Read the passage and then answer in full sentences the questions that follow.***

My name is Nsohya and I am a Primary Seven candidate. Last year during third term holidays, my mother sent me to the market. She wanted me to buy a bunch of matooke.

I asked Zebi, my brother to come with me, a short distance away from home, we met a shabby man. He was carrying a big polythene bag. He looked a very poor man from a village. He smiled and greeted us. Zebi answered but I didn't respond. I did not like the way he had dressed. He asked us to direct him to the house of the lawyer, Mr.

Bakulumpagi. I did not want to direct him to our home but Zebi did. This hurt me so much that I felt like fighting Zebi. He told me that it was bad manners to treat strangers like that.

Immediately we got back home, my mother welcomed us, she was very happy to have a visitor. The visitor was the shabby man we had met on the way. She asked us to greet him and shake his hands. I pretended that I was taking the bunch of bananas in the kitchen. My mother was very angry with me. She asked if that was the kind of respect I should give to elders. She told me that was my grandfather. “Calm down my daughter, Nsobya has heard” said the shabby man. He then picked a watch from his old polythene bag and handed it over to my brother. Zebi, may God bless you, my grandson,” he said.

Oh my God! I missed a very beautiful watch. I was ashamed before my grandfather. To fellow candidates, I advise you to always respect elders. It is also good to respect, love and care for everyone.
